Subject: IMPORTANT - RE: Saint Gobain Hoosick Falls NY Water Supply Contamination

The email from David Engle with the subject "Saint Gobain Hoosick Falls NY Water Supply Contamination" and its attachments may contain TSCA Confidential Business Information (CBI). It is a violation of TSCA CBI to share materials with people that are not cleared for it and TSCA CBI should not be sent via email. In order to comply with the regulations concerning TSCA CBI, you must delete the email and attachments and shred any printouts or copies that you may have made. If you shared this email, attachments (or copies of them) with anyone, you must ensure that they also delete them.

We have logged a copy of the letter and attachment into the CBI logbook and it is filed in the secure storage facility in Edison in accordance with TSCA provisions.

NOTICE: This communication may contain deliberative, confidential, attorney work product, or other enforcement-sensitive information. Do not release under FOIA without appropriate review. If this message was sent to you in error, you must delete it and not print, copy, re-transmit, disseminate, or otherwise use the information.
